ECHOES

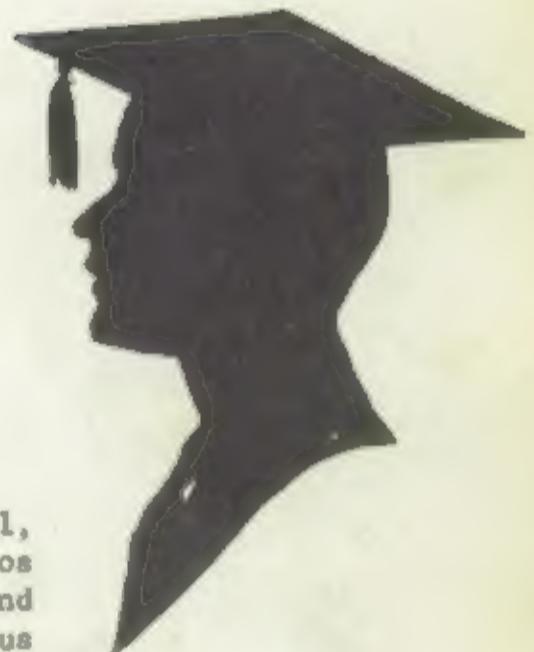

MRS. MARIAN BRAUN

Dedication

A hill is not too hard to climb,
Taken one step at a time.
One step is not too much to take,
One try is not too much to make.
One step, one try, one song, one smile,
Will shortly stretch into a mile.
And everything worth while was done
By small steps taken one by one.
To reach the goal you started for,
Take one step more--take one step more!

J. D. Freeman

We, the Senior Class of Hoyt High School,

SENIOR CLASS HISTORY

It was a rainy day in September 1959, when thirteen scared, but willing Freshmen entered Hoyt High School. Most of us were acquainted except the new student, Elmer Hubener, who came from County Line Grade School. Our class officers were: Roger Gooderl, President; Sandra Donahue, Vice-President; Linda Hughes, Secretary; Celeste Fuller, Treasurer; Frank Kopp, Reporter; Bill Williams and Dawn Spencer, Student Council. Our sponsor was Mr. Borth. The highlights of the year were the Beatnik Ball, Carnival, and best of all initiation.

9 In 1960, thirteen big Sophomores entered their second year at Hoyt. We found we had lost Bill Williams and Larry Waggoner, but we gained Carol Woodruff from Seaman High School. Our class officers were: President, Bill Williams, Vice-President, James Rose; Secretary, Carol Woodruff; Treasurer, Dawn Spencer, Student Council, Roger Gooderl; and Reporter, Linda Hughes. Mrs. Borth was our sponsor. We were proud to have Sandra Donahue and Carol Woodruff elected as cheerleaders. That year we had the Donkey Basketball and we put \$200 in Capital Federal Savings and Loans.

5 When we returned the next year, we found we had lost Carol Woodruff, but as the year progressed we gained David Masqua and Richard Reser. David wasn't with us very long before he transferred to another school. Our class officers were: Sandra Donahue, President; Frank Kopp, Vice-President; Dawn Spencer, Secretary-Treasurer, Celeste Fuller, Reporter; and Roger Gooderl, Student Council. Our sponsor was Mrs. McCrossen. We were happy to have Sandra Donahue and Dawn Spencer elected cheerleaders, and to have Homecoming Attendants, James Rose, Roger Gooderl, and Dawn Spencer. The highlights of the year were the receiving of our rings, the Junior-Senior Banquet and Prom, the Junior Play, and Celeste Fuller elected as Queen of Courts.

9 Then came our big year when we were Seniors. We were happy to have Carol Albright back. Our class officers were: Frank Kopp, President; Roger Gooderl, Vice-President; Sandra Donahue, Secretary-Treasurer; James Rose, Student Council; and Dawn Spencer, Reporter. Mrs. Cross was our sponsor. Dawn Spencer, Sandra Donahue, and Celeste Fuller were elected as cheerleaders. James Rose and Sandra Donahue were Homecoming King and Queen, their Attendants were Dawn Spencer, Barbara Meggison, Roger Gooderl, and Frank Kopp. Dawn Spencer was Queen of Courts. Our highlights were editing the annual, Senior Play, Senior Trip and our happiest event of the year was Graduation.

SENIOR CLASS WILL

We, the Seniors, with four of our happiest years past, do will and bequeath the following:

I, Carol Albright, do will and bequeath my very late hours to Mary Woodruff, providing she doesn't get caught while sneaking in; and to Sheryl Albright I leave my ability to chew gum in class, providing she doesn't get caught.

I, Virgil Bowden, do will and bequeath nothing to anyone, for the simple reason that I don't own anything worth willing.

I, Howard Day, do will and bequeath my ability in sports to Donald Vanorstran; and my ability to do nothing in third hour study hall to Roger Moore, providing he doesn't get on Mr. Hobelmann's nerves.

I, Sandra Donahue, do will and bequeath my basketball suit to Dian Carey, providing she doesn't make more points than Beverly; to Mary Woodruff I will all the exciting times of riding in a floor shift driven car as long as it's not a white "Chevy"; and all the fun and frustration I've had to all underclassmen.

I, Celeste Fuller, do will and bequeath my feuds with Roger to Mary Woodruff, providing they don't hurt each other; to Wib, I will my many fights with Billy, as long as she has as much fun making up, and to all the underclassmen I will all the fun and wild times I have had these past four years.

I, Roger Goederl, do will and bequeath my '56 Chevy to Mary Woodruff, providing she gets a driver's license; to the Sophomore boys I will my ability to sit up town on Main Street and talk till the roosters crow, to all the up coming drivers, I will all my luck, good or bad; and last of all I will my ability in sports to anyone who will use it to help old Hoyt High.

I, Elmar Hubener, do will and bequeath my well behaved head of hair to Bill Mosher, providing he can't control it; my ability to sit on the benches during basketball to Dale Mann, providing he doesn't show off in the games; and my ability to keep my car in one piece to John Anweiler, providing he doesn't wreck it three times in two weeks.

I, Linda Hughes, do will and bequeath my beautiful tan to Janet Adams, providing she gets it the same way I did; and to Twila Metzger I leave my driving ability, if she promises not to go over 20 m.p.h.

I, Frank Kopp, do will and bequeath my ability to study to Leland Bailey; and my going Plymouth to Clinton, providing he learns how to drive; and my many hours of sitting down town talking until 4:00 a.m. to the Sophomore boys.

I, Tom McClane, do will and bequeath my ability to get along with everyone except the teachers to Jackson; my ability to get through three years of High School to anyone that will stay away from Mayetta and my Ford to anyone dumb enough to take it.

I, Barbara Meggison, do will and bequeath my ability to fall up and down the stairs to Harriett Spencer, providing she doesn't hurt herself; and to Sandra Stithem, I leave my bashfulness.

I, Richard Reser, do will and bequeath my ability to get along with the teachers to Bill Albright. I will my church-key to Mr. Hobelmann and his roommate.

I, James Rose, do will and bequeath to my brother Clinton, my ability to get along with a certain teacher; and to a certain Junior my "Ramcharge" that will beat a certain old "Ford".

I, Dawn Spencer, do will and bequeath my good and bad experiences at Hoyt High to anyone who is willing to do it over just like I did; to Bob Fleischer I leave my desire to go places and get ahead after high school, because I know he can do it; and finally, I leave the memory of all the fun I had to my friends and Wib who helped me have it.

Senior Class Prophecy

To Whom It May Concern

In the year 1983, we the class of 1964, decided to leave our home on the moon and journey back to the earth where we found the class of 1963 involved in their various occupations.

On our way to the earth we came upon a glittering planet called Pluto. Who was their queen but Celeste Fuller, now Mrs. Bill Barger. Mr. and Mrs. Barger now have a palace full of little princes and princesses.

Moving on we found Car 54 cruising around the rings of Saturn, and Roger Gooderl was still howling at the moon since he couldn't find Mary. But, wait! A new brunette on the moon. Roger was reported missing. Car 54 where are you?????

As we neared the earth we found a large neon sign that read "Red's Turkey Farm". It seems like Richard Reser had finally given up on girls and started raising turkeys.

We boarded the space ship once again and journeyed on to Mr. & Mrs. Thomas McClane's turkey farm in Nebraska. Inside the house we found Lola preparing Thanksgiving dinner for her husband Tom, and their five children. Since Tom and Lola were happily married, we decided to travel on.

We ventured to Arkansas where we found Virgil Bowden, a prominent pig farmer. We went to the pig pens to visit with his wife, the former Barbara Newlun, who was slopping hogs. They seemed to be one big happy family, Virgil, Barbara, and the hogs.

We then found Carol Albright in her new home built of stone in the Pacific. We heard it was called "Alkatraz". It seemed that she was driving Jim's hot Chevy too fast and ran into a patrol car.

We toured into Africa where we heard of a new tribe. We found Linda Hughes in one of the old-fashioned Super-Marts buying food for her family of 18. She said she had met the man of her dreams in a cave during an air raid. They still live in that same cave. Isn't that romantic?????

From Africa we pointed our space ship toward Italy. As we toured the famous wine factories we were very pleasantly surprised to find Dawn Spencer, Chief-Wine Taster, working there. As expected she still likes racing her little black T-Bird around the Moon.

We again boarded our space ship and journeyed to Indiana where we found Howard Day shearing sheep. It seems as though he would be a millionaire from his sheep wool if only he wasn't the only person in the state.

As we landed in Kansas City we found our bashful Barbara Meggison working as an airline hostess. She has found herself a sailor boy but they have a difficult time seeing each other with her in the air and him on the sea.

We found Sandra Donahue in Topeka. When we asked her why she wasn't on the moon, she told us that Jim had finally been promoted to President of the Company and she couldn't leave him. Their 12 children have inherited Sandy and Jim's love of Chevys. Ever heard of a 14-car family?????

We found Elmer Hubener as a confirmed bachelor on his county line farm still working on his water powered engine. He seemed to be getting along just fine.

As we journeyed back to Hoyt, we found that it had become a ghost town. But as we were about to leave, we heard a siren wailing and we turned to see a red Dodge coming toward us with its red light flashing. Out of it stepped James Rose, who had inherited his father's badge and mustache. He is doing a good job of keeping the town quiet.

Now out west of town we found Frank Kopp slaving over a still on his one acre farm. He had been tasting his own brew so much that the curls have come out of his hair. He bootlegs his brew across the country with his faithful '57 Plymouth.

We went back to the moon after seeing the Seniors. It took us exactly 132 seconds at our high rate of speed.
